Article Id :
GB112340601461

EAN Code :
7391530051901

The picture shows

WC Nordic 2340, raised with concealed S-lock in white. With 6 liters flushing and black seat with stainless steel hinge.

Description

The WC is equipped with components which make it suitable for installation in public buildings – cistern cover in 1.5 mm stainless steel sheet with durable button controlled single flushing and hard wc seat with stainless steel mountings.

Approval & standards

CE approved and Nordic Quality certified. Product follows AMA recommendations, SS-EN 33 dimensioning and SS-EN 997 function. "Säker vatteninstallation" compliant.

Logistics

31 kg with packaging without seat. Weight seat: hard seat with stainless steel mountings 3 kg.

Components Connection

Float valve: GB with shut-off valve connection R1/2" external thread. The waste fitting has button controlled single flushing set at 6 liters.

Montage

Installation to the floor using four stainless steel screws with plastic caps. Alternative floor installation with adhesive. Due to the rounded cistern and small external dimensions it is also suitable for corner location. See supplied installation instructions. Installation parts supplied.
