

GBG Fixture for wall mounted WC/Bidets

Article Id :
GB1921100500

EAN Code :
7391530039602

The picture shows

Fixture for wall mounted WC-suites and bidets.

Description

When mounting wall-hanging products on weak walls we recommend our fixture – a strong primer painted steel structure. NOTE! The fixture does not fit our Bidé Artic 4130. The fixture has fully threaded M12 mounting bolts adjustable in length between 85 and 115 mm. The centre distance of the bolts can be changed between 180 and 230 mm and the height from the floor varied between 290 and 460 mm.

Montage

Fastened to the floor with screws through the anchor plate.
