EAN Code :
7391530059365

The picture shows

Raised base for WC 2300 and 394

Description

Our WC.s can be equipped with a raised base of 60 mm. The base gives the wc seat a sitting height of approx 460 mm. The product is suitable for tall people or old people who have difficulty in rising from a standard toilet.

Logistics

5 kg with packaging.

Montage

Installation to the floor using screws which are completely hidden by the wc when installed on top of the raised socket.
