Article Id :
56959601

EAN Code :
4047289291596

The picture shows

WC Logic 5695 with concealed P-lock in white. With 3/6 liter double flushing, hard seat.

Description

The Logic range has been introduced for small bathrooms but even if the external dimensions are identical to our Nordic wc-seats the standard height of the wc-seat has been raised to 43 cm and comfort increased thanks to a wider front. Logic wc has a hard seat as standard.

Approval & standards

CE approved. Product follows AMA recommendations, SS-EN 33 dimensioning and SS-EN 997 function. "Säker vatteninstallation" compliant.

Logistics

39 kg with packaging and hard seat.

Components Connection

Float valve: GB with shut-off valve connection R1/2" external thread. The waste fitting has button controlled half- and full flushing (double flushing). Set at 3/6 liters on delivery.

Complementary information

Can be supplemented with: Seat with soft close function.

Montage

Installation to the floor using two stainless steel screws with plastic caps. Alternative floor installation with adhesive. With a P-lock the drain can be connected to the floor, straight into the wall or to the side at any angle less than 90 degrees). See supplied installation instructions and installation kit for relevant WC seat. Installation parts supplied, including blind cover plugs for the screwholes.

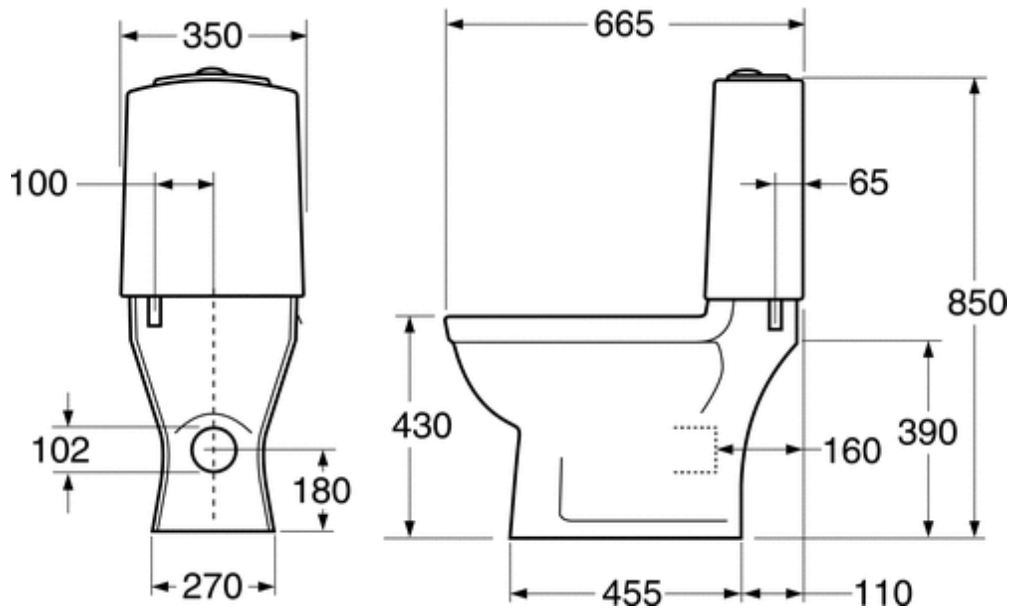

Variants
