**Article Id :**  
GB7118000100

**EAN Code :**  
7391530060903

## **The picture shows**

The image shows: Logic 1800 with gray enameled top bench and drawer fronts in walnut. NOTE! Drawer fronts and top bench are ordered using separate part numbers.

## **Description**

Washbasin cabinet with one drawer and one folding door. The upper door folds downwards when opened. The washbasin cabinet has two doors and top bench in white or gray enameled laminate. Chromed handles supplied. Made of moisture resistant melamine board with doors in 4 different surface materials; Walnut, light hardwood, white and white superglazed.

## **Logistics**

21 kg with packaging

## **Complementary information**

1800 suitable for washbasin Logic 5194. Use commode water lock with flexible waste hose. Part no. 81 4830 00 02. The drawer in the commode has maximum free space for the flexible waste behind the drawer.

## **Montage**

Furniture supplied with white, installed cabinet frames that are supplemented with doors in optional surface. Pre-drilled holes for handles, but the handles are not fitted. The cabinet is installed against the bathroom wall with the supplied mountings. Screws and plugs are not supplied. The cabinet is installed freely under the bolt mounted washbasin, up against the bottom of the washbasin. Alternatively the washbasin can be installed with silicon against the tiled wall and bench top, on the installed cabinet.
