GB41209055 46

EAN Code :
7393792225205

The picture shows

Kitchen sink mixer Coloric 209055-46.

Description

Coloric kitchen sink mixers also work well with high countertop washbasin models. The mixer has an integrated swivel limiter that can lock the spout in a set position.

Complementary information

- Hard-anodized aluminum
- Ceramic seal
- Approved flexible water connection
- Safety module [AA]
- Spout swivel 110° or fixed spout

Montage

Before installation, the pipes must be flushed clean as far as the mixer. The mixer is connected to the cold water pipe on the right and hot water pipe on the left. Water pressure: max 1000 kPa. Hot water temperature: max 80°C. With patterned bench panels, sealant is recommended between the mixer and bench. We apologize but we cannot accept responsibility for faults resulting from incorrect installation.
