**Article Id :**  
GB88171801

**EAN Code :**  
7393792212274

## **The picture shows**

1718 Soft seat universal model

## **Description**

The soft seat is developed with a material which is both soft and warm. It can prevent pressure sore injuries for those who need to spend a long time on the toilet. The bowl shaped seat supports and stabilizes the whole pelvis. The raised edges are easy to grip if required for balance. The seat has been tested and developed in collaboration with the paraplegic and tetraplegic department at Viborgs hospital in Denmark. The product is CE marked and suitable for persons over 6 years of age.

## **Logistics**

2 kg with packaging.

## **Components Connection**

Seat made of duro plastic (Urea) and soft plastic (Polyurethane foam) and stainless steel mountings.

## **Montage**

Installation instructions supplied. A universal seat with mountings to fit most wc-seats.
