Energy labeling and certifications

- The product follows AMA recommendations, SS-EN 33 dimensioning and SS-EN 997 functionComplies with Safe Water installation requirementsCE approved

Assembling & Care

Floor mounting with four stainless screws and plastic covers. Alternative mounting on floor with glue. The rounded tank and small outer dimensions also make it suitable for corner placement. P-trap makes it possible to connect waste pipe to floor, straight to wall, or to the side at any angle (must be less than 90 degrees). See included installation guide.
